Experience

UI/UX Designer | Not Your Idea

Bandra, Mumbai, IN | Nov 2024 - Present

- Leveraged AI tools to rapidly prototype UI designs and accelerate the design-to-development workflow.
- Improved usability by optimizing user flows and navigation.
- Create and maintain design systems, UI components, and style guides.
- Work closely with developers to ensure accurate implementation of designs.
- Designed responsive websites and digital experiences across multiple industries
- Created reusable design systems, components, and responsive layouts.

UI/UX Designer | Lisco Technologies LLP

Navi Mumbai, IN | Jun 2023 - Nov 2024

- Designed user-centric interfaces for web and mobile applications.
- Created wireframes, prototypes, and high-fidelity UI designs using Figma.
- Conducted competitor and visual research to establish appropriate design directions.
- Improved website usability, visual hierarchy, navigation, and overall user experience.
